

Vitality Active Rewards

Rewards Guide

Vitality Active Rewards is an in-app Vitality programme that rewards you for getting active and driving well. When you achieve your fitness goal and drive goal, you are rewarded with Vitality reward points – and a range of reward options that you can spend your reward points on.

This guide outlines all the reward partners and the rewards that can be redeemed through Vitality Active Rewards. *We regularly update our rewards and reward partners to keep you motivated with new, exciting choices to celebrate your goal achievements.*

Let's get started

Every time you achieve a goal, you earn a play on the gameboard. When you play the gameboard, you pick a tile which reveals hidden Vitality reward points or diamonds. You can spend these Vitality reward points on a range of rewards.

Reward categories

There are various reward categories to choose from, including:

- Coffees, popcorn and charity donations
- Smoothies and snacks
- Groceries, meals and shopping
- Online shopping
- Spoils and shopping
- Gifts and gadgets
- Flights and holidays

For added excitement and motivation to achieve your goals, there are instant rewards hidden on the gameboard. Reveal one of the icons below, and you'll instantly be rewarded with either international flights, fitness devices, grocery rewards or Discovery investments.

Spend your Vitality reward points on the rewards of your choice.
